Create Your World

# Our Story

**Glass Cube Interiors** has been operating in the field of global consultancy services since 1987. Over the years, Glass Cube Interiors has accumulated an outstanding quality of our craftsmanship which combined with exceptional organizational skills and excellent standards of our materials, recognized by the Elite Society's Clients. Glass Cube Interiors helps people to translate their imagination into reality that belongs to them.

Our experience, efficiency, coordination, solidity and flexibility qualities allows us to handle projects across the UAE & other Countries, whether it is a seven stars hotel or a small luxurious villa.

Glass Cube Interiors Work Group is made of Professionals... They are the AIA (American Institute of Architects) Certified... & are used to develop concept designs for all kinds of projects including Towers, Commercial Buildings, Malls, Residential Areas.

We are used to work together to be able to solve any problems arising during completion rapidly & efficiency.

Glass Cube Interiors technical department draws up the most work flow Frameworks, handles the designs, establish cost limitation measures & finalizes completion times – always taking the unforeseeable into account.

Glass Cube Interiors is the firm that deals with designs, materials, execution and furnishings. We also into global consultancy service.

# Services

## Space Planning

Which Architects handles the project details, outlining the projects, designs & planning to the high standards of AIA by using the latest technologies so that projects will be completed internally, guaranteeing quality standards & adherence to deadlines to maximize your comfort capacity in your restaurant, hotel room, office and even in your lovely home.

## Interior Designing & Decorating

Giving you meaning to any small piece tail and making it precious in world, our architects role is to create an extra ordinary looking space that you can fully utilize.

## Supplying Building Material

Which most successful stories in ceramic world coming from Spain and Italy with the highest European standards to add value & luxury, perfect touches to your space with our wide collection of ceramic, porcelain, sanitary ware that you can choose to add life to your living as well as working space...

Marble /Granite has been our specialty since we are dealing with countries like Brazil, India, China, Oman, Spain and Italy to bring our large collection and choices of the fine stones available around the globe since 1987 to bring you the best.

## Execution

Which our craftsmen been well trained to value every single detail and trying their best to reach perfection, giving you a perfect space to use and live is on our shoulders.

## Turn Key Solutions

Since Glass Cube Interiors is a firm which deals with Designs, Materials, Execution and Furnishing so all you need sit back and let us take the responsibility to create your world.
